ISO 9001:2008 Certification

To Whom It May Concern,

This letter confirms that Metro Metals USA is in the process of developing and implementing the appropriate and required **Quality Management System** to qualify for ISO 9001:2008 Certification.

It is expected that Metro Metals USA will successfully complete the necessary assessment, development, and implementation of the **Quality Management System** within 4 months of their initial GAP analysis, subject to client availability Metro Metals USA has the elements of good business practices and **ISO Certification** will support and strengthen their continual demonstration and commitment to quality service and customer satisfaction.

For an update on their progress, please feel free to contact James Goldstein at 212-421-4130.

Sincerely,

James M. Goldstein, Ph.D.
